### ITALY AND FRANCE.

Significance of Approaching Visit to Paris of Victor Emmanuel.

Milan, Italy, Oct. 7.—The Secolo in a dispatch from Rome publishes a long interview with Premier Zanardelli on the significance of the approaching visit of King Victor Emmanuel to France, in which the Italian statesman is quoted as saying:

"The Italian democracy has always given the warmest support to friendly relations between France and Italy, which is another pledge of European peace. All our efforts are in this direction. No one rejoices more than I at this happy rapprochement. The king's voyage is the culmination of our aspirations, giving a solemn consecration to the hearty exchanges of good will between the French and Italian fleets."

### A Thirty-six Hour Battle.

Sofia, Bulgaria, Oct. 7.—Details of the fighting at Kistkar, near Kratovo, thirty-eight miles from Uskub, Oct. 1 and Oct. 2 have reached the revolutionary headquarters here. The battle was waged for thirty-six hours. The Turks found it impossible to dislodge the band of eighty insurgents from their strong position and brought up two cannons. The shots, however, went over the insurgents and wrought havoc among the Turks on the other side of the position. The insurgents ultimately escaped. The Turkish losses are variously estimated at from sixty to 250 men killed or wounded.

### GERMAN CLAIMS SETTLED.

General Duffield, Arbitrator, Returns From Venezuela.

New York, Oct. 7.—Brevet Major General Henry M. Duffield, the umpire at the tribunal to adjust the German claims against Venezuela for damages to persons and property that arose during the revolution in Venezuela, has arrived here on the steamer Maracaibo. He said it had been decided between the commissioners and himself that the details of the claims and the decision would not be given out for publication until after the decision had been presented to the various governments.

The commissioner from Venezuela was Dr. Nicomedes Zuloaga, and the German commissioner was Paul Goetsch of Berlin, who is the counsel to the German foreign office. There were seventy-three claims presented, two were withdrawn, thirty-seven were decided by the commissioners and thirty-four were sent to the umpire, General Duffield, for determination. Thirty-four sessions were held. General Duffield will proceed immediately to Washington to hand in his report.

### THINK TWICE.

It Will Repay Residents of Barre to Follow This Citizen's Advice.

That good old adage—"Think twice and act once"—is brought to mind when one reads the following account of the experience of a Barre citizen. Mr. Cummings made a public statement on the subject years ago, and at this time repeats his former testimony with renewed emphasis.

Geo. L. Cummings, engineer on the Montpelier & Wells River Railroad, residence 15 Prospect Street, Barre, says: "What I stated first in the month of February, 1897, about Doan's Kidney Pills, procured at E. A. Brown's, stopping continual pains across my back was absolutely true. It was often so bad that at times I was unable to do my work, and so severe at night that I was so lame and sore I could scarcely lie comfortably in any position and as if that were not sufficient to aggravate the ordinary mortal there was added to it trouble with the kidney secretions, particularly irregularity. The jarring of the train, if not the direct cause of the kidney complaint, certainly aggravated it, and Doan's Kidney Pills cured me of a very acute attack. I was only too pleased to make it known. Since that Mrs. Cummings has bought Doan's Kidney Pills and used them. They certainly brought her relief. I have more than one friend who is thankful for the knowledge he has gained about Doan's Kidney Pills."

For sale by all dealers. Price 50 cents per box. Foster-McIlburn Co., Buffalo, N. Y., sole agents for United States. Remember the name—Doan's—and take no other.
